

# THOR THUNDERTRAP XL

525 E. Pinnacle Peak Rd. Ste. 100 Phoenix, AZ. 85024  
623-780-1050 | salesorders@sacfirearms.com

## OVERVIEW

The AWC Silencers Thor Thundertrap XL is a light, quiet suppressor that celebrates the 5th generation of the Thundertrap. This XL version is 10.4" in length for an increased sound suppression. It delivers accuracy demanded by law enforcement snipers and bench rest shooters. The Thor Thundertrap XL retains spent gases for a long period causing a soft hiss to be emitted rather than a pop.
