

THOR THUNDERTRAP

525 E. Pinnacle Peak Rd. Ste. 100 Phoenix, AZ. 85024
623-780-1050 | salesorders@sacfirearms.com

OVERVIEW

The AWC Silencers THOR Thundertrap is a shorter, lighter, and astonishingly quiet suppressor that celebrates the 5th generation of the Thundertrap. Delivering accuracy demands by law enforcement snipers, the THOR Thundertrap retains spent gases for a longer period causing the sound emitted to be a soft hiss rather than a pop. It is constructed for all center fire, bolt and semi-auto rifles.
