

TURBODYNE

525 E. Pinnacle Peak Rd. Ste. 100 Phoenix, AZ. 85024
623-780-1050 | salesorders@sacfirearms.com

Part #: TURBO50

OVERVIEW

The AWC Silencers Turbodyne is absolutely the most compact, effective, and quiet .50 caliber suppressor on the market. Constructed of 100% stainless steel and 360 degree circumferentially welded, the Turbodyne significantly reduces sound signatures and db. It can be fitted to most semi-auto and bolt-action .50 BMG rifles. It can mount directly to the muzzle break without modification to the rifle.
